Enchanted by Taylor Swift

There I (1) ____ again tonight	That this night is flawless, don't you let it go
Forcing laughter, faking smiles	I'm wonderstruck, dancing around all alone
Same old tired, lonely place	I'll spend forever wondering if you knew
Walls of insincerity, shifting eyes and vacancy	I (9) ____ enchanted to meet you
Vanished when I saw your face	This is me praying that
All I can say is, it (2) ____ enchanting to meet you	This (10) ____ the very first page
Your eyes whispered, "Have we met?"	Not where the story line ends
'Cross the room your silhouette	My thoughts will echo your name, until I see you again
Starts to make its way to me	These are the words I held back, as I (11) ____ leaving too soon
The playful conversation starts	I (12) ____ enchanted to meet you
Counter all your quick remarks	Please don't be in love with someone else
Like passing notes in secrecy	Please don't have somebody waiting on you
And it (3) ____ enchanting to meet you	Please don't be in love with someone else
All I can say is, I (4) ____ enchanted to meet you	Please don't have somebody waiting on you
This night is sparkling, don't you let it go	This night is sparkling, don't you let it go
I'm wonderstruck, blushing all the way home	I'm wonderstruck, blushing all the way home
I'll spend forever wondering if you knew	I'll spend forever wondering if you knew
I (5) ____ enchanted to meet you	This night is flawless, don't you let it go
The lingering question kept me up	I'm wonderstruck, dancing around all alone
2 AM, who do you love?	I'll spend forever wondering if you knew
I wonder 'til I'm wide awake	I (13) ____ enchanted to meet you
And now I'm pacing back and forth	Please don't be in love with someone else
Wishing you (6) ____ at my door	Please don't have somebody waiting on you
I'd open up and you would say, "Hey"	
It (7) ____ enchanting to meet you	
All I know is, I (8) ____ enchanted to meet you	
This night is sparkling, don't you let it go	
I'm wonderstruck, blushing all the way home	
I'll spend forever wondering if you knew
