

Listen the words, then cut the pictures and paste in the correct place.

Escucha las palabras, después corta y pega las imágenes en el lugar correcto.

A family tree diagram showing a family structure. At the top, a large white rectangle represents the family unit. Below it, a horizontal line connects two smaller white rectangles, labeled 'Daddy' and 'Mommy'. Below this line, a horizontal line connects two more white rectangles, labeled 'Brother' and 'Sister'. Below these, a horizontal line connects two more white rectangles, labeled 'Baby' and another unlabeled rectangle.

Teacher's name: Francisca Reyes Vivaldo
