Wake up in the morning with a ..... like, "What ya done?"
This used to be the life, but I don't need ..... one
You like cuttin' up and carrying on, you ..... them gowns

So how come I feel so lonely when you're up getting down?

So I'll play along when I hear that ..... song

I'm gonna be the one who gets it .....

You'd better move when you're swayin' round the .....

Looks like the magic's only ours .....

But I don't feel like dancin' when the old Joanna .....

My heart could take a ....., but my two feet can't find a way

You'd think that I could master up a little soft-shoe gentle sway

But I don't feel like dancin', no ....., no dancin' today

Don't feel like dancin', dancin'

Even if I ..... nothin' better to do

Why'd you pick a tune when I'm not in the mood?
I'd rather be home with the one in the ..... till dawn, with you
Cities come and cities go, just like the ..... empires
When all you do is change your ..... and call that versatile

You got so many colours, make a blind..... so confused

Then why can't I keep up when you're the only thing I lose?

So I'll just pretend that I know which ..... to bend
And I'm gonna tell the whole world that you're mine

Just please understand, when I .....you clap your hands

If you stick around I'm sure that I'll be .....
You can't ..... me dance around
But your two-step makes my chest pound
Just lay me ..... as you float away into the shimmer light
