Hello everyone!

Example

I'm having a great time here with Robert.

Yesterday we went to see a football match and I

1 was really pleased because my team

The score was 5-3! After the match, a man said

2 'hello' to me, but I didn't know

was. He was the manager of my team! That was a

3 real surprise. Tomorrow we're to go to

the swimming pool. The swimming pool's outside
and it's lovely there, but it won't be nice

4 the weather's bad. Then I'll

5 back at school again next Monday.

I'm not very happy about that!

1

Today was a horrible day!This..... morning I went to the dentist and he at my teeth.

2

He said there was a hole in one of them. I thought he was very unkind. When he finished,

3

mouth was really sore. Then I cycled to school. I had a geography lesson. We're a project

4

about the ocean, but I'm not really interested. Then, this evening, I wanted to go to a concert

5

my friends. My favourite group's playing pop and rock music in town. But Mum said

I to stay at home and do my homework instead. So at the moment I'm by myself in my room and I'm bored. I hope tomorrow's better!
