

## TIMELESS BY TAYLOR SWIFT

Down the block, there's an antique shop  
And something in my head said, "Stop, " so I walked in  
On the counter was a \_\_\_\_\_  
And the sign said, "Photos: twenty-five cents each"  
Black and white, saw a '30s \_\_\_\_\_  
And school lovers laughin' on the porch of their first house  
The kinda love that you only find once in a \_\_\_\_\_  
The kind you don't put down  
And that's when I called you and it's so hard to explain  
But in those photos, I saw us \_\_\_\_\_  
And, somehow, I know that you and I would've found each other  
In another life, you still would've turned my head even if we'd met

On a \_\_\_\_\_ in 1944  
And you were headed off to fight in the war  
You still would've been mine  
We \_\_\_\_\_ timeless  
I would've read your love letters every single night  
And prayed to God you'd be comin' home \_\_\_\_\_  
And you would've been fine  
We would have been timeless  
'Cause I believe that we \_\_\_\_\_ to find this  
So, even in a different life, you still would've been mine  
We would've been timeless

I had to smile when it caught my eye  
There was one of a teenage couple in the \_\_\_\_\_  
Holdin' hands on the way to a dance  
And the date on the back said \_\_\_\_\_  
Which brought me back to the first time I saw you  
Time stood still like somethin' in this old shop  
I thought about it as I started \_\_\_\_\_

At these precious things that time forgot  
That's when I came upon a book covered in \_\_\_\_\_

Story of a romance torn apart by fate  
Hundreds of years ago, they fell in love, like we did  
And I'd die for you in the same way if I first saw your face

In the \_\_\_\_\_ off in a foreign land  
And I was forced to marry another man  
You still \_\_\_\_\_  
We would have been timeless  
I would've read your love letters every single night

And run away and left it all behind  
You still would've been mine  
We would've been timeless  
'Cause I believe that we were supposed to find this  
So, even in a different life, you still would've been mine  
We would've been timeless

Time breaks down your mind and body  
Don't you let it \_\_\_\_\_  
It was like an age-old classic  
The first time that you saw me  
The story started when you said, "Hello"

In a \_\_\_\_\_ a few short years ago  
And sometimes there's no proof, you just know  
You're always gonna be mine  
We're gonna be  
I'm gonna love you when our hair is \_\_\_\_\_  
We'll have a cardboard box of photos of the life we've made  
And you'll say, "Oh my, we really were timeless"

We're gonna be timeless, timeless  
You still would've been mine  
We would've been  
Even if we'd met on a crowded street in \_\_\_\_\_  
You still would've been mine  
We would've been

Down the block, there's an antique shop  
And somethin' in my head said, "Stop, " so I walked in
