The Procuress (c.1656),
believed to be a self
portrait by Vermeer

Vincent van Gogh

Describing a picture (a painting or photo)

When we describe a picture, we normally use *There is / There are* to say what's in the picture, and we use the present continuous to say what the people are doing, e.g. *There's a table with some bread on it. The woman is standing next to the table.*

*"A man paints with his brain, and not
with his hands."*

Michelangelo, Italian painter and sculptor
