Hi Jim,

Thanks for your email. You're very brave to eat insects!

I ¹ went (go) to an Indian restaurant with Mum and Dad last night. We all ² (choose) different dishes. Mum ³ (have) a really spicy curry, and her face ⁴ (become) very red! She ⁵ (can't) eat it, so she ⁶ (give) it to Dad. He loves spicy food! The waiter ⁷ (bring) Mum some juicy mangoes to cool her mouth! I ⁸ (not eat) my curry because it was sweet, so Dad ⁹ (eat) that, too!

Next time, we're going to a pizza restaurant!

Dave
