1 Match each person (1–4) to a job advert (A–E). There is one extra job.

- 1 Arthur is sixteen and needs some money. He wants a job in the summer holidays. He's popular at school and he works hard. He loves food and wants to be a chef one day.
- 2 Andy likes animals. He needs money and wants a job outside. He's fourteen.
- 3 Carla is fifteen. She likes all animals. She wants riding lessons, but they are very expensive.
- 4 Peter is sixteen. He lives in London. He is interested in computers and music. He wants a Saturday job.

A ☐ Are you sixteen years old or more? We need three shop assistants from 9 a.m. to 5 p.m. on Saturdays at the Music Box in Park Street, London W6. We pay £7 per hour and you get one free CD per month.

B ☐ Are you fifteen years old or more? I need a babysitter for my little girl on Wednesdays and Saturdays from 5 p.m. to 7 p.m. I pay £8 per hour.

C ☐ Are you fourteen years old or more? Do you like dogs? I've got two dogs and they need a walk for one hour Monday to Friday. I work late and I haven't got time. I pay £6 per hour.

D ☐ Riding is very expensive, but it's free for helpers at Treetops Stables! You brush the horses and give them food and water. And at the end of the day you get a free ride. We need three teenagers (fifteen years old or more) for five hours on Saturdays, from 11 a.m. to 4 p.m.

E ☐ Are you sixteen years old or more? Are you free in the summer holidays? Do you like food and people? We need helpers at Patsy's Pizzas in August. The pay is £6 per hour and the job is 25 hours per week.
