Mara

Last summer, I worked in a cinema. I sold tickets and worked in the café. It was a boring job and badly paid. I wanted to go on holiday, but I couldn't because I didn't have enough money. The best thing about the job was the films because I could watch them for free. Now I'm thinking about writing a film blog.

Lottie

I had the best job in the world last year. I worked in a zoo. I was in the gift shop, but I visited the animals in my lunch break. I loved the penguins and the turtles. Next year, I'm going to try to work there again and when I leave school, I'm going to work with endangered animals in Australia.

Andrea

I worked in the kitchen of a restaurant last year. It was the hardest job I've ever done. It was busy and I had to do a lot of cleaning. I didn't enjoy the work, but everybody was friendly. I don't think I'd work in a restaurant again, but I learned a lot about cooking from the chefs.
