Section 3: Reading Comprehension (15 minutes)

Read the passage and answer the questions.

School Days

At school, students gather to learn and grow. The classrooms are filled with desks and chairs, and the walls are adorned with colorful posters that make learning exciting. The teachers are kind and knowledgeable, always ready to help students understand the lessons.

During recess, the playground comes alive with laughter and games. Children run, jump, and play together, making new friends and creating lasting memories. The school library is a quiet place, where students can read books and expand their knowledge.

In the cafeteria, students enjoy their meals and share stories with friends. The school auditorium is a grand space where assemblies and performances take place. Students gather here to showcase their talents and celebrate achievements.

At the end of the day, students board the school bus to head home. They carry with them the lessons learned, the friendships made, and the excitement of returning to school the next day.

1. What happens during recess?
 - a) Students have lessons
 - b) Students read quietly

- c) Students play and make friends
