

Another man misses the train and is upset. The Rubik's Cube goes to help.

She smiles and is not frustrated anymore.

The story starts in a train station. One girl is there.

The Rubik's cube comes back and helps her solve him. Just as the train comes.

The Rubik's Cube sees the girl and goes to have her solve him.

She misses her train and is upset. She has to wait.

Frustrated, she can't solve the cube and throws it down.

We should try to help people when they are upset.
