WOULD LIKE WOULD LIKE TO CHCIAŁBYM / CHCIAŁABYM

Jednym z najbardziej podstawowych angielskich zwrotów do proponowania czegoś jest uprzejme zapytanie

Would you like

czyli: Czy byś chciał / chciała...?,

Would you like some tea ? - Czy chciałabyś herbaty?
Would you like a hamburger? - Czy chciałbyś hamburgera?

Wersja **would you like to**,
w której używasz czasownika w podstawowej formie.
służy do proponowania czynności:

Would you like to dance with me? - Czy chciałabyś ze mną zatańczyć?
Yes, with pleasure! - Tak, z przyjemnością.

Zaprzeczenie konstrukcji "would like to" tworzymy przy użyciu słowa "not".
Wyrażenie "not" umieszczamy po słowie would.

podmiot + **would not (wouldn't) like to** + bezokolicznik + reszta zdania

Przykładowe zdania:

I **would not (I wouldn't) like to** go out tonight. I want to revise for a test.
- Nie chciałabym dziś nigdzie wychodzić. Chcę powtarzać do testu.
