Tell us about where you live and what you do in your free time. Leave a comment below.

Amelia: Hi everyone! I live in London. It's a great place to live. There are lots of things to see and do here and it's exciting. I love living in the UK for that reason. I go to St Patrick's High School. After school, at about 4 p.m., I usually go to a dance class or I go to the sports centre to have a swim. I love swimming. At the weekend, I sometimes go to the cinema with my friends. We also go to the theatre. *The Lion King* is on now. I really want to see it!

Katy: Hello from San Francisco, USA! I live in the North Beach area of the city. There are lots of cool shops, restaurants and bars there. I like shopping at North Beach at the weekend. The clothes are very cool. The weather in San Francisco is warm and sunny in the summer, so I usually go to the beach and surf with my friend Jodie. In the winter it's quite cold and it rains a lot… not so different from England! I occasionally go skiing in the Sierra Nevada Mountains.

Pierre: Bonjour from the famous city of Paris! Lots of tourists come to visit my city every year. I live in the city centre, not far from the Eiffel Tower, so I see a lot of them! In my free time I usually meet my friends. We go to the cinema and we hang out in cafés or in the park near my house. In the summer I stay with my grandparents in their house in the South of France. I'm staying there now, in fact! I enjoy reading but I also do outdoor activities like cycling.
