NEW YEAR'S EVE – ONE TO REMEMBER OR ONE TO FORGET?

MINA This was last year, and I went to a hotel with some friends. It had a bar on the top floor, and that's where the party was. We got there at about 11.00.

05 About half an hour before midnight I realized I didn't have my phone – it was in my car. So I took the lift down to the car park. I found my phone, and then I got back into the lift – I was the

10 only person in it. But then, between the third and fourth floors, the lift stopped completely and I couldn't get out. I pressed the button and asked for help, but a guy said there was an electrical

15 fault and I needed to wait. Then a few minutes later, I could hear people outside celebrating. It was awful – I didn't get out until almost 1.00 in the morning. And on top of it all, my friends

20 didn't realize that I wasn't there!

JENNY I had a fantastic New Year's Eve in Iceland in 2013. First, we went to a really expensive restaurant for dinner. It was early, about 6.00, because that's when people have dinner in Iceland. I wore a lovely dress, but after dinner we got a taxi back to the hotel and I put on boots and a warm

25 jacket. Then we went out and watched the amazing fireworks. Suddenly, at about 10.00, everyone went home to watch TV – there's this famous programme they always watch on New Year's Eve! It was really strange – the streets were empty for a bit. But then just before midnight people came out again and danced and drank till about 5.00 in the morning. It was incredible.

30 **ANDY** I'm a DJ, and this happened to me a few years ago. It was my first time at a New Year's Eve party, and I planned all the music really carefully. I knew exactly which tracks I was going to play. The first part of the night was fine, but just when I thought it was time to start the countdown to midnight, I saw that people were all at the bar, not on the dance floor, and the TVs were on. On the screens I could see fireworks, and Big Ben! I looked at my watch and I realized it was about two minutes slow! I felt really stupid. I bought a new watch the next day!
