

Speaking. How
can I help?

Would you like to
go to a concert?

That was a
nice meal.

Hi John, how
are you doing?

Who will pay the
bill for lunch,
you or me?

Can I take your pen?

Do you want to go
to the beach today?

Sorry, I'll just get
that. (the phone
is ringing)

What time does
the movie start?

You can't go to
the shop now.
It's closed.

It's not a problem.
I can pay.

No, I don't want
any dessert.

I'm sorry for
being late.

I want to pay for
the movie tickets.

Who was that
on the phone?

Yes, of course.
here it is.

No, I insist. I'll pay.

Hi, I have a question
about my order. Can
you help me with that?

I don't really
like rock. But
I don't mind.

Yeah! That was great. Let's
come to this restaurant
next weekend too.

How nice to
hear from you! I'm
doing well, thanks.

No problem,
take your time.

Let's pay half each.

Well, let's see.
Here's the website.

Thank you very
much. I'll pay for
the next meal.

Don't worry! We
have a lot of time.

It was my boss.
He wants me to work
overtime this weekend.

Absolutely!

Oh! I see.

Are you sure? They
are very good here.
