Hi Pete,

Well, here we are in Canada! I <sup>1</sup> ..... my time here. This week my sister Angela and I <sup>2</sup> ..... in Banff National Park. We can see Lake Louise from our tent – it's beautiful! There are lots of things to see and do here. We often <sup>3</sup> ..... kayaking on the lake. We'd like to try some other activities in Canada, too. Angela would really like to <sup>4</sup> ..... orienteering but I want to sign <sup>5</sup> ..... for a climbing course.

Next week we <sup>6</sup> ..... to Algonquin Park. We <sup>7</sup> ..... get up early every morning because that's the best time to see wild animals. I <sup>8</sup> ..... a photography course last year so I <sup>9</sup> ..... hundreds of photos of wolves and bears.

At the end of the month we're <sup>10</sup> ..... a train to Vancouver. Our plane <sup>11</sup> ..... for London at midday on 26th August. Then it's back to work on 28th August.

See you then.

Mark
