Kites

- Example** Kites have been popular for over two thousand years.
- 1 Some people think that the first kites were made
 - 2 leaves from trees. Kites can be different shapes and sometimes they can look like animals or strange creatures. They can be really small or enormous. It is often difficult to fly a kite for
 - 3 a long time there has to be enough wind.
 - 4 It can take a lot of practice to learn to fly a kite
 - 5 Kites are always toys for children. A lot of
 - 6 grown-ups love flying too. There are special racing kites that people use in competitions. In some countries there are
 - 7 huge kite festivals you can see hundreds of kites in the air at the same time.
 - 8 Some clever people have also kites to learn more about the weather. They put special cameras on kites to help
 - 9 find out about places that are too difficult or
 - 10 dangerous to on the ground.
