- 1 Continue doing this until the mixture begins to look pale and fluffy.
- 2 Avoid \_\_\_\_\_ the eggs all at the same time.
- 3 Keep \_\_\_\_\_ all the time.
- 4 Don't forget \_\_\_\_\_ the baking powder.
- 5 I recommend \_\_\_\_\_ sultanas and apricots.
- 6 If you prefer \_\_\_\_\_ dates or raisins, that's fine.
- 7 Some people like \_\_\_\_\_ some nuts too.
- 8 If you decide \_\_\_\_\_ nuts, chop them up small.
- 9 Remember \_\_\_\_\_ if the fruit cake is ready after about an hour.
