-----------

People from the bank

May call for personal information
-----------------------------------

Already have your information
-------------------------------

Eat pasta for dinner
----------------------

When you are on Twitter

It's ok to give your address
------------------------------

You can message friends
-------------------------

Everyone is your friend
-------------------------

If someone tries to sell you something you don't want or do not have money for

You can ask someone you trust
-------------------------------

You should do what they say
-----------------------------

You can say no and leave
--------------------------

I can keep my money in

A ziploc

A wallet

My purse

If someone asks me for money

I can say no

I should check if I have enough money

I should give them money

If I give someone money they

Might ask for more

Might not give it back

Will be my friend

Before I give someone money I should

Check with someone I trust

Check that I have enough money for my needs

Ask them why they want money

I should always give my money to

My family

Someone I meet

A friend
