

## Feelings 1

1. Look, listen and choose. ('s / 're / 'm)

|                                                                                   |                                                                                   |                                                                                   |                                                                                    |                                                                                     |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |  |  |  |
| He ... hot.                                                                       | She ... sad.                                                                      | He ... tired.                                                                     | I ... thirsty.                                                                     | They ... scared.                                                                    |
|  |  |  |  |  |
| I ... happy.                                                                      | He ... hungry.                                                                    | They ... sick.                                                                    | She ... cold.                                                                      | They ... happy.                                                                     |

2. Look, listen and choose. (isn't / aren't / 'm not)

|                                                                                     |                                                                                     |                                                                                     |                                                                                      |                                                                                       |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|  |  |  |  |  |
| I ... hot.                                                                          | She ... sad.                                                                        | He ... tired.                                                                       | I ... hungry.                                                                        | They ... scared.                                                                      |
|  |  |  |  |  |
| I ... happy.                                                                        | He ... thirsty.                                                                     | They ... sick.                                                                      | He ... cold.                                                                         | They ... tired.                                                                       |

### 3. Fill in the blank.

|       |        |             |
|-------|--------|-------------|
| I'm   | you    | He's        |
| isn't | aren't | They aren't |

\_\_\_\_\_ hot. He isn't cold.

She's sad. She \_\_\_\_\_ happy.

How are \_\_\_\_\_ today?

\_\_\_\_\_ hungry. I'm not thirsty.

They \_\_\_\_\_ angry.

They're tired. \_\_\_\_\_ sick.

### 4. Place in order.

|                                               |    |     |     |     |
|-----------------------------------------------|----|-----|-----|-----|
| a. hot? / Are / they<br>- they / Yes, / are.  | -> | ... | ... | ... |
|                                               | -  | ... | ... | ... |
| b. cold? / you / Are<br>- No, / not. / I'm    | -> | ... | ... | ... |
|                                               | -  | ... | ... | ... |
| c. Is / thirsty? / he<br>- he / Yes, / is.    | -> | ... | ... | ... |
|                                               | -  | ... | ... | ... |
| d. hungry? / she / Is<br>- isn't. / No, / she | -> | ... | ... | ... |
|                                               | -  | ... | ... | ... |
