Dear Paula,

I am having a great time here (**EXAMPLE**: ...at...) the seaside. The hotel is right next ...**41**... the beach. I ...**42**... already been swimming twice – it was lovely. Tomorrow, we ...**43**... going on a coach trip to visit a farm ...**44**... they grow bananas. ...**45**... are lots of banana farms here.

At breakfast this morning I had ...**46**... glass of banana juice. I have never tried this drink ...**47**..., but I like it very ...**48**... I'm going to buy some to bring home ...**49**... me, then you can taste ...**50**... too.

I hope you're not working too hard.

Love

Gary

Dear Josh,

Happy New Year! We (**EXAMPLE** ...are...) spending New Year in the mountains. We arrived two days ...**41**... . My grandmother has ...**42**... lovely house here. We are going to stay with ...**43**... for one week. ...**44**... snowed yesterday, but today is sunny ...**45**... warm. Yesterday we climbed up ...**46**... the top of a mountain. It ...**47**... us three hours to get there. I love it here in winter more ...**48**... in summer. Tonight ...**49**... is going to be a big party in the centre ...**50**... the village.

See you soon,

Maria

Dear Mrs Robinson,

I am **0**(EXAMPLE ...sorry...) I wasn't in your lesson yesterday. I fell off my bicycle ...**41**... the morning so I could ...**42**... get to school. The doctor told ...**43**... that I must stay ...**44**... home today. Luckily, I ...**45**... not broken anything. I'm sure I ...**46**... be back tomorrow. What was yesterday's homework?

Yours,

Karl

Dear Karl,

What ...**47**... pity about your accident. How ...**48**... you fall off your bicycle? ...**49**... wasn't any homework yesterday because we ...**50**... to York on a school trip.

Best wishes,

J Robinson
