WRITING TASK

Imagine that the university's student welfare center is conducting a study on how active and healthy learners from different programs at UTP are. They are collecting their data via e-mail by asking different questions. You are going to give them the information by writing an e-mail to the next address atencionalusuario@utp.edu.co. (120 words).

Make use of linking words such as: First, then, second, furthermore, moreover, however, nonetheless, in addition, although, finally, etc.

The UTP's student welfare center is asking the next questions, follow them to write your message:

- ✓ How important is keeping fit for you?
- ✓ Are you interested in sports? Why/Why not?
- ✓ How often do you do sport?
- ✓ Would you say that you are a sporty person? (Why do you say that?)
- ✓ Are there any sports that you'd like to try in the future? If so, choose one and provide examples of what equipment and skills are needed to play it.
