PUT A LIGHT ON MY by Sam Ryder

I toss and turn when I _____ at night
Too many things on my _____ I can't change and I see
Shadows on the walls of the cave _____
Gimme fire, help me rewire my primitive mind

Seems like the blind is leading the _____
Help me to _____
Quiet these voices that dim my _____

Put a light on me
Anything to make me _____
That it's not so dark in the deep of my _____
Oh, will you put a light on me? Yeah
Put a light on me
Anything to make me _____
That it's not so dark in the deep of my _____
Oh, will you put a light on me-e-e? Yeah

Do I believe in the _____ I do? (Alright)
Am I the driver or _____ sitting next to you?
Don't think that I wanna know the _____
Just let this fire burn higher up in the back of my _____

Seems like the blind is leading the _____
Help me to _____
Quiet these voices that dim my _____

Put a light on me
Anything to make me _____
That it's not so dark in the deep of my _____
Oh, will you put a light on me? Ooh
Put a light on me (oh-oh ooh)
Anything to make me _____ (oh-oh ooh)
That it's not so dark in the deep of my _____ (oh-oh ooh)
Oh, will you put a light on me-e-e? Yeah (oh-oh ooh)

Ooh yeah, alright (oh-oh ooh)
