Listening Strategy

In English, words with more than one syllable have the stress on one of the syllables. This means that the syllable is louder than the others. Being familiar with word stress makes it easier to recognise words when you hear them.

3 1.18 Read the Listening Strategy. Then listen to pairs of words. Is the stress pattern the same or different? Write S for the same or D for different.

- 1 D 2 3 4 5
6 7 8 9

4 Circle the word with the different stress pattern.

- | | | | |
|----------------------------------|--------------------------------|---------------------------------|---------------------------------|
| 1 <input type="text"/> computing | <input type="text"/> excellent | <input type="text"/> educate | <input type="text"/> instrument |
| 2 <input type="text"/> family | <input type="text"/> musician | <input type="text"/> Saturday | <input type="text"/> holiday |
| 3 <input type="text"/> Japanese | <input type="text"/> seventeen | <input type="text"/> Bangladesh | <input type="text"/> beginning |
| 4 <input type="text"/> answer | <input type="text"/> correct | <input type="text"/> canteen | <input type="text"/> unload |
| 5 <input type="text"/> trousers | <input type="text"/> complete | <input type="text"/> jumper | <input type="text"/> sister |
| 6 <input type="text"/> children | <input type="text"/> teacher | <input type="text"/> water | <input type="text"/> along |
