

Huckleberry Finn - exercises episodes 7 and 8

Episode 7 The Wilks Brothers

1. Opposites (motsatser)

a) Translate the words into Swedish and write the translation in the first box.

Översätt orden till svenska och skriv översättningen i första rutan.

b) Find the words that mean the opposite and write those in the next box.

Hitta motsatserna till orden och skriv dem i nästa ruta.

c) Finally, translate the opposites into Swedish.

Till slut, översätt motsatserna till svenska

	Svenska	Motsats	Svenska
• youngest			
• never			
• sister			
• after			
• earlier			
• poor			
• buy			
• no one			
• near			
• fake			

2. True or false?

Write F in the box of the statement is wrong and T if it is true.

Skriv F i rutan om påståendet är fel och T om det är sant.

Huck and Jim travel alone.	
They continue to New Orleans	

A man told them about a rich lady who had died.	
Peter Wilks's sisters were on their way from England.	
The "Duke" and the "King" pretended to be Peter Wilks's brothers.	
The "Duke" and the "King" plan to trick (lura) Mary Jane so that she will give them all of her money.	
The "Duke" and the "King" hide the money under a tree.	

3. Answer the question

*Why do you think that Huckleberry Finn hides the bag of money in the coffin?
Varför gömmer Huckleberry Finn säcken/påsen med pengar i kistan?*
