- 1 Fred is a librarian in New York. After work, he goes home to feed his three cats and make himself dinner. Afterward, he reads until it is time for bed. He doesn't like crowds and plans his trips to museums and other places he enjoys on days when he knows they will not be busy.

- 2 Dylan lives in Toronto with his roommates, Gary, Tyler, and Tom. He's a part-time student who works as a server at a popular restaurant. He loves talking to customers and meeting new people. In the evenings, he likes to hang out with his roommates. He likes to make his friends laugh and thinks it is his responsibility to make sure everyone has a good time.

- 3 Carmen is a fifth-grade student. She is quiet and has a hard time making herself heard. Sometimes she wishes her classmates would invite her to play games with them, but she is too shy to ask them.

- 4 Mae is a designer working in Hong Kong. She wears brightly colored outfits that catch people's attention. She enjoys working with her creative team to create unusual new designs, and she's not shy about saying exactly what she thinks about other people's designs.
