IX. Read the text. Choose *True* or *False* or *NS* (Not Stated)

TRAVELING ALONE

Traveling on your own can be really exciting. A lot of people now plan to go on vacation or on adventure trips on their own. But it is very important that you always stay safe. There is some good adventure advice online on what you should and shouldn't do if you like traveling alone. You should also look carefully at where you are going. Is it a safe place? Are the hotels good? What do you need to know to stay safe?

Some people start their vacation alone and then decide they want company. If you want to meet other people you can take a guided tour or perhaps see the sights with a group. You can ask at your hotel if there are any good tours.

1. Many people think it is not safe to travel alone.
2. You can find advice on staying safe on the internet.
3. You should find out about the place you are going to.
4. It is lonely if you go on vacation on your own.
5. Hotels don't know about tours or trips.

X. Read the text. Complete the sentences with ideas from the text.

THE BUSINESS PLAN

If you are going to start your own business, you need a business plan. A business plan has a lot of information about what you want to do and how you are going to do it.

When you write a business plan, it makes you think of all the important things you need to start a business. It helps you understand if you need any other skills or training. Most businesses also need money to start. A business plan can help you plan how much you need.

A lot of people write business plans and then find out that they need to make some changes to their product or services. This is good because it will help you be successful when you start your company.

A business plan is never finished. It can change as you learn more and think about your business differently. So don't worry about finishing your plan, just get started!

1. You should have a / an _____ if you start your own company.
2. A business plan helps you understand if you need training to _____.
3. A business plan also helps you to plan how much _____ you need.
4. Some people change their _____ when they write a business plan.
5. A business plan never _____.
