

Sports Day

I am really excited about our upcoming Sports Day at school! It will be a fun and active event where we can participate in various sports and games. Let me tell you about what I will do on that special day.

During Sports Day, I will take part in a singing contest. I love to sing, and I have been practicing a song for this occasion. I will stand on the stage and sing my heart out, hoping to entertain and make everyone proud. It will be a chance for me to showcase my singing skills and spread some joy to the audience.

Apart from the singing contest, there will be different sports activities and competitions. We will have races, relays, and even a table tennis tournament. I am really excited to show my skills in table tennis. I have been practicing with my friends, and I feel confident that I can perform well. I hope to hit the ball with precision and win some matches.

Sports Day is also special because it will be held on Independence Day. We will have a flag raising ceremony to celebrate our country's freedom. It will be a proud moment for all of us as we sing the national anthem and show respect for our nation.

I am looking forward to Sports Day and the chance to have fun, showcase my talents, and be a part of friendly competitions. It will be a day filled with excitement, energy, and teamwork.
