Valentine's Day

Valentine's day (14th. February)

A. Read the text. Then, answer the questions.

What does Cupid shoot to people?

- a) a gun
- b) a bow and arrow.

We celebrate Valentine's day on the 14th of February. People who are in love give gifts to each other like chocolates and flowers. Valentine's day comes from the Ancient Rome. The son of Venus, Cupid, puts arrows of love to every person in Valentine's day. At school, children make cards and they send them to the person they love more. In the USA, people gives gifts to the person they love, or they buy red flowers, they write a poem, they make chocolates... In the other countries, the history is the same. They also celebrate Valentine's day the same day. It's a very special day for the lovers and for
