Hi, my name is Melissa. I was living in Glasgow and now I live in a new house in London with my mum, my dad and my brother Timmy. In the house there's a kitchen, a small living room, two bathrooms, three bedrooms and a small garden.

My bedroom is little and it has a bed and a wardrobe. There is also a table with my new computer on it. I've got lots of CD's because I love music. I would like to have a TV but my mum doesn't let me. I put many posters of famous pop stars on the walls. My favourite is Ronnie White.

I like this place because it is near my school and I can go walking with my brother every morning. There's also a shopping center and a sports area. I love practicing different sports with my friends such as tennis and basketball. I play with them from Mondays to Fridays. On Saturdays I go shopping with my family and on Sundays I use to go to the cinema with my brother.
