

Vacation

Let's talk about vacationing!

- 1 What do you usually do on your vacations? Would you like to do something else different?

- 2 Imagine you won an all-expenses-paid vacation for a week. Where would you choose to go, and what activities would you do there?

- 3 Would you prefer staying in a luxury resort, a cozy cabin, or camping in the great outdoors? Why?

- 4 If you could learn a new language for your next vacation, which one would it be, and why?

- 5 Do you prefer relaxing beach vacations or adventurous city trips? Why?

- 6 Do you prefer traveling with friends, family or alone? Why?
