

**Part one:** Read carefully the next paragraph about the different touristic places that you can find in El Salvador to enjoy an amazing vacation.

### El Salvador a magic place.

If you want to enjoy your vacation you should visit any tourist place that our beautiful country offers. There are some options.

For instance:

If you want to surf or only enjoy a family day, you should visit El Sunzal beach there you will live an amazing experience with your family or friends; but if you are looking for a place where you can enjoy of cold weather Cerro El Pital in Chalatenango is your better option, where you are going to enjoy practicing

camping and fresh weather, as well as you can visit Ruta de Las Flores, specifically

Apante, where you are going to enjoy of amazing Albania's labyrinth and live an excited experience if you like the adrenaline this place offers an incredible activity like do canopy.

Coatepeque's Lake is another ideal place to practice diving, sailing, swimming, and water-skiing; furthermore, this incredible place has a beautiful view towards Santa Ana's volcano and Cerro Verde, which is another place that you can visit to enjoy the tranquility of nature and a pleasant temperature. It

has a path that is darkened by different types of plants and trees. In this place, you are going to enjoy a lot, since this place has the wonderful type of flowers and spectacular panoramic views from which you will be able to admire the beauty of the Izalco's and Santa Ana's volcanos, as well as different towns such as Juayua, Nahualco and the Amazing Port of Acajutla.

These are some of the different touristic places that you could visit with your family and friends on your next vacation.

Based on the paragraph that you just read, choose one tourist place and imagine yourself visiting a beautiful place on your next vacation and write

your answer to these questions: why do you want to visit there? And what are you going to do there? The use will be going to and include the new vocabulary about objects that you should take to go to this place.

**Part two: Listen and write vocabulary related to objects you should take with you on your vacations.**
