Hi!

It's my class party today! I'm wearing a red cape and a blue hat. We've got biscuits and cake. I like sweet food! My teacher can sing and play the guitar very well. My friend Sam can juggle. There's a big speaker in the classroom. I can dance very well.

We can play games and have fun. Tell me about your class party. What food have you got? Can your teacher play music? Do you like dressing up? What can you do?

Bye,
Dora
