

My family

In my family, there are many people who I love and spend time with.

Today, I'm very happy to talk about them!

First, this is my father. His name is Hung. He always takes care of me and helps me with my homework. I love spending time with him.

Second, this is my mother. Her name is Nga. She's like a fairy godmother, always making sure Timmy's room is tidy and clean. She has a special power to motivate me to finish my homework and complete my chores. Sometimes, she even surprises me with delicious treats! I love her very much.

Third, his name is Bin. He is my older brother. We play together and have lots of fun. Sometimes, we don't agree on everything, but I still love him.

Next, she is my little sister. Her name is Linh. We play games and share toys. She loves playing dress-up and having tea parties with me too. Sometimes, she annoys me, but I still love her too.

Their names are Ba and Ong. They are my grandparents. They tell me stories and give me lots of hugs. I love spending time with them.

Then, he is my uncle. His name is Bac. He is my mother's brother. He is funny and makes me laugh. We often have a great time when he visits.

This is my aunt. She is my dad's sister. She gives me presents on my birthday and we do fun things together. I like her a lot.

I have a pet dog named Max. He is playful and likes to fetch. I love playing with him in the park. I also have a pet cat named Lyly. She is soft and cuddly. I like petting her and hearing her purr. We have a fish tank with colorful fish. They swim around and make our home look beautiful. Sometimes, we see birds outside our window. They chirp and fly in the sky. I like watching them.

In my family, we love each other, even if we sometimes don't like the same things. We try to help each other and be kind. It's a happy and loving family!
