You've got a friend in me
You've got a friend in me
When _____ road looks rough ahead
And you're miles _____ miles
From your nice warm bed
You just _____ what your old pal said
_____, you've got a friend in me
Yeah, you've got a friend in me

You've got a friend in me
You've got a friend in me
You got troubles, I've got 'em too
There isn't anything I wouldn't _____ for you
We stick together and _____ it through
'Cause you've got a friend in me
You've got a friend in me

Some other folks might _____
A little bit smarter than I am
Bigger and stronger too

But none of them will ever _____ you
The way I do
It's me and you, boy

And as the years go by
Our friendship will _____ die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me
