PHOTO CONTEST

TANYA

Last November my parents gave me a camera for my birthday. I started taking photos of flowers, butterflies and cats and used some of them for a school project with the Art teacher. When she saw them, she told me I should take part in the school photo contest because this year's theme was 'Creatures'. I couldn't believe it when I found out my photo was chosen as the best of all!

GABRIEL

I often use my mobile to take photos when I see a beautiful landscape. My favourite subjects are sunsets, especially at sea. Last summer I took a photo of the sun going down when I was on holiday in Spain. It looked as if it was actually diving into the water! I decided to enter the school photo contest because all my friends loved it and said its colours were amazing. I didn't win any prize but the judges told me it was a lovely picture.

ALEXANDER

My uncle is a magazine photographer and I'm his greatest fan. A few years ago he gave me an old camera he didn't need anymore. I had to learn how to turn film into photographs. It's not like printing them out as it takes a long time and you need a dark room and special equipment. Anyway, my father said I should enter the school photo contest with a picture I took of a spider web on a wet day. I'm glad I did because I got the second prize!

Running and blogging!

by Holy Parson

Everyone in my family enjoys running - including me! But it's sometimes hard for me to find someone to run with. My brother and I sometimes run together, but he's much faster than me. And my dad's too busy to come at the moment. So my best running partner these days is my cousin Mandy. We go almost every day - it's great! We don't go running when it's raining, but I still want to keep fit on those days, so I go to the gym, or I play badminton with Mum. And sometimes I swim in the local pool. That's what I like the most!

I also write a blog about running. I began writing it because I liked writing posts about where I go running, how I feel when I run, and the kinds of kit I like wearing. Now lots of people follow my blog, and they give me great advice! Some even say they started running after reading my blog, so that's great!

Of course, not all my friends are interested in running, so I don't ask them to come with me, and they always want to know about my latest runs, so that's nice.

I'd like to improve my running so I can enter more races. I've done some local races, but I've never won anything - but that doesn't matter. I'd really like to try a 25 km race soon. Everyone says it's hard - but we'll see!
