## About

Harrods is London's most famous and iconic luxury department store, known for its designer retail, famous clientele, and beautiful exterior. Home to over 330 departments and 5000 brands across seven floors, it has been attracting locals and travelers for over 150 years. Here, you can shop amongst high fashion boutiques, try out some new fragrances and spa treatments, or browse the newest innovations at a variety of tech stores.

After some retail therapy, you can take the weight off your feet by dining at one of the restaurants serving a wide selection of food prepared using premium ingredients from the Food Hall.

Disappointed

The building from the outside is stunning, but inside is a whole different world. It is very expensive and very commercialized, they don't give out bags for your goods but you can buy 1 for £6.
