

# Not My Ex by Jessie J

[Verse 1]

My ex used to tell me I'm \_\_\_\_\_  
 When laying low with other girls  
 Believed him when he said he was \_\_\_\_\_  
 Then blamed myself when I got hurt  
 My ex used to tell me I'm \_\_\_\_\_  
 But never did he put me first  
 Ignore me and he'd do it on \_\_\_\_\_  
 Just to have the last word

[Pre-Chorus]

But now you wanna love me, who knows what you'll find  
 You're not my ex, no  
 It won't be easy, but I'm down for the ride  
 Just remember

It won't be simple when I give you my heart  
 I know I can be troubled, Lord knows that it's hard  
 Just remember  
 I'm not your ex

[Chorus]

I'm falling for you, you're falling for me  
 I won't \_\_\_\_\_ I won't hurt again  
 I can promise we won't be like them  
 I'm falling for you, you're falling for me  
 I won't promise I won't \_\_\_\_\_  
 I can promise it won't be the same

[Verse 2]

My ex used to tell me "No male \_\_\_\_\_  
 Cut them off if you really \_\_\_\_\_"  
 I would go away, couple days, hundred girls at his place  
 Games night, truth or dare, ha  
 My ex used to tell me he's so chill  
 Then steal my \_\_\_\_\_, so I couldn't leave, yes  
 Act a clown, run his mouth, cussing out, put me down  
 \_\_\_\_\_, I set me free

Selfish  
 Walk away  
 Flawless  
 Friends  
 Honest  
 Purpose  
 Phone  
 Promise  
 Thank God  
 Care
