Recount Text

Let's match the generic structure up to the story next to it.
Drag the generic structure to the story in the blank box.

Event 2

Nora and her friends headed home after their Qur'an class at the mosque. Nora urged her friends to take a different path. Nora walked home alone, after her friends ran away and the torch fell out. Was there any other way to light up the path?

Event 3

Nora and Mom tied the torch tightly to a bamboo pole to light up the path. But, the flames went out when the wind blew.

Orientation

Nora changed it into a lamp. But, the cool raindrops hit the hot glass of the lamp and caused it to shatter. The flame went out again.

Re-orientation

Then, nora thought about the way to protect the lamp from the raindrops. Nora used an old pot lid. The lid had to be straight and the knot had to be tight.

Event 1

The news of the lamp in front of Nora's house began to spread. Now, every house had lamp in front of their house. The streets in Nora's village were not as dark as before.
