3. Read the text.

Dear Richard,

My family and I are going on holiday to Egypt next week. Isn't it great?

We're leaving on 21st June. We're going to arrive in Cairo late in the afternoon. We're staying at one of the biggest hotels in Cairo. I'm going to share a room with my brother, John, and I'm not happy about that! He's very noisy.

On the second day of our trip we're going to go sightseeing. We're going to visit the Pyramids and the Sphinx. John is also going to go camel riding with my dad.

On the third day my mum and I are going to go shopping in the open markets in Cairo. After Cairo we're going to fly to Luxor. We want to see the ancient city of Thebes there. We're also going on a cruise down the Nile.

I'm so excited. I'm going to learn so much about Egypt. I'll write back with news of my trip.

See you soon,
Beth

4. Read the text again and choose between True and False.
