PERSONALITY

I. Read the paragraph and Answer those questions below

MY BEST FRIEND

I have a best friend and her name is Jane. She's 12 years old and lives on Huynh Thi Hieu Street. She's really beautiful with long black hair and two big eyes. She has small nose and two long arms. She's also tall and slim with chubby cheeks. She's an active girl, she's so confident and friendly. She's good at cooking and doing housework. We usually cook a lot of dishes together at the weekend but she's bad at waking up early and playing badminton. I really love her!
