

## Write No more than One word

### Topic: Travel

Travelling gives you \_\_\_\_\_ wonderful experiences you cannot \_\_\_\_\_ in your own \_\_\_\_\_. You meet local \_\_\_\_\_ and get to \_\_\_\_\_ different cultures. It's so exciting. I \_\_\_\_\_ planning trips and \_\_\_\_\_ some research on the country or countries I want to \_\_\_\_\_. Sometimes I \_\_\_\_\_ to plan everything in advance, my flights, \_\_\_\_\_ and tours, etc. For me, the most \_\_\_\_\_ thing is arriving in a country with no \_\_\_\_\_ reservation and no fixed plans. I \_\_\_\_\_ staying in hostels and guest houses. You get to \_\_\_\_\_ and \_\_\_\_\_ to different and \_\_\_\_\_ people and share information. I also like to visit \_\_\_\_\_ that are off the beaten track. Being \_\_\_\_\_ with thousands of other tourists? It's not my cup of \_\_\_\_\_.
