

## Prepositions of place

We can use prepositions of place to say where things are.

### 1. True or false?

Read and circle true or false for these sentences.

I love our pets! Our dogs like playing **in** the garden **behind** our house, sleeping **under** my bed and sitting **in front of** the TV. Our hamster lives **in** a cage **next to** our fish. He has a little house **between** his wheel and his water. He's **on** his wheel now!

- |    |                                                            |             |       |
|----|------------------------------------------------------------|-------------|-------|
| a. | She has got some dogs, a hamster and some fish.            | <u>true</u> | false |
| b. | The dogs like playing in the garden in front of her house. | true        | false |
| c. | They like sleeping on her bed.                             | true        | false |
| d. | The hamster has a little house.                            | true        | false |
| e. | He's on his house now.                                     | true        | false |

### 2. What's the word?

Write the words under the pictures.

| in                                                                                  | on                                                                                  | under                                                                                | next to                                                                               |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| behind                                                                              | in front of                                                                         | between                                                                              | opposite                                                                              |
|  |  |  |  |
|                                                                                     | in                                                                                  |                                                                                      |                                                                                       |
|  |  |  |  |
|                                                                                     |                                                                                     |                                                                                      |                                                                                       |

## 3. Choose the answer!

Read the sentence. Circle the correct answer.
