

Snow White and the Seven Dwarfs

Once upon a time, there lived a princess named Snow White. Her hair was as black as coal, lips red as a rose, and her skin as white as snow.

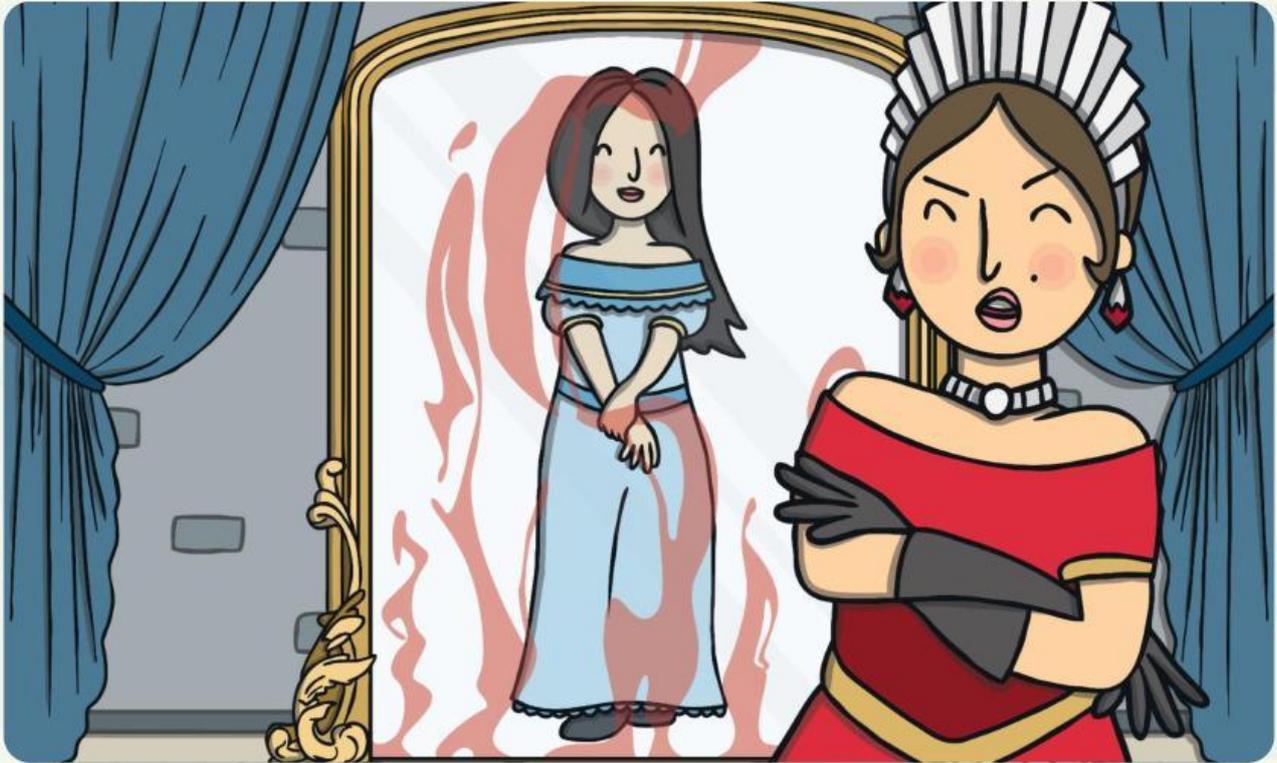

Snow White's stepmother, the Queen, was very mean. She hated anyone who was more beautiful than her.

The Queen had a magic mirror and asked it, "Mirror, mirror, on the wall, who is the fairest one of all?" Every day the mirror had the same reply. "You are the fairest".

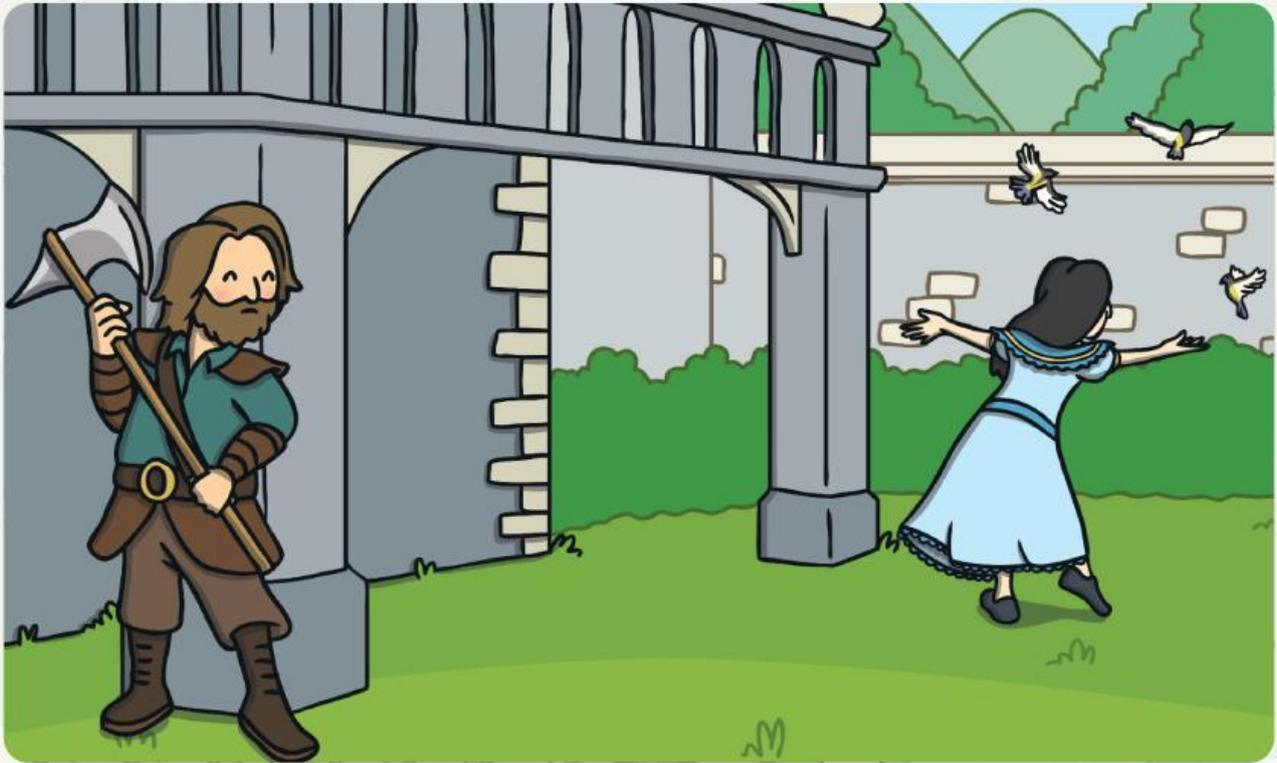

One day the magic mirror told the Queen that Snow White was the fairest in the land.

This made the Queen very jealous! The Queen told her royal huntsman to take Snow White far into the forest and kill her.

The Queen told the huntsman to bring back Snow White's heart as proof she was dead.

The huntsman found Snow White but could not kill her. He warned Snow White that the Queen wanted her dead. Snow White ran to the forest.

The huntsman lied to the Queen and took her a heart from a pig.

Snow White came to a cottage and wondered who lived there.

Seven dwarfs lived in the cottage. They returned to the cottage and introduced themselves to Snow White.
