

Section 9: Sequences

A sequence copies a pattern or shape at a different pitch.
Here is an example of **SEQUENCE**.

The second pattern of notes is 1 note higher than the 1st pattern.

Here is another example. This time the **SEQUENCE** is lower.

Exercise 16

Write the following sequences one note **HIGHER**!

Exercise 17

Write the following sequences one note LOWER!

a)

b)

Exercise 18

Look at each exercise and write down what you see.

Choose from **REPETITION**, **ASCENDING SEQUENCE** or **DESCENDING SEQUENCE**

a)

This is _____

b)

This is _____

c)

This is _____

d)

This is _____
