**Teacher** : We're going to talk about some pictures which show different \_\_\_\_\_ of Canada. So you can tell me a little bit about them, tell me what you know, and share your \_\_\_\_\_ about these places. OK, so let's start with this picture which shows a \_\_\_\_\_ that is very famous in Canada. What can you tell me about maple syrup?

**Student 1 (Natalie)**: So maple syrup is normally found in Quebec because there are a lot of maple \_\_\_\_\_ in Quebec.

**Student 2 (Audrey)**: And we can put it on \_\_\_\_\_ things like bread, waffles, pancakes....

**Student 3 (Iyonna)**: And we can put it on \_\_\_\_\_ to create lollipops.

**Teacher**: OK. What does it taste like, \_\_\_\_\_ ?

**Student 3 (Iyonna)**: It tastes very sweet in your mouth and sugary.

**Teacher**:: And... so the maple leaf that's on all the \_\_\_\_\_, it's on our flag, can somebody tell me what they feel about the maple leaf or why is it important?

**Student1 (Natalie)** So the maple leaf is really important because it obviously \_\_\_\_\_ the maple tree and maple syrup. That is one of the things that makes Canada Canada!

**Teacher**: And it's our \_\_\_\_\_ tree. So we said that the maple syrup comes from Quebec. Can anyone tell us anything else about Quebec?

**Student1 (Natalie)** : We have two national \_\_\_\_\_, French and English. A lot of people speak more than two... a lot of people either speak three or four languages because we are very \_\_\_\_\_.

**Teacher**: OK, so our national languages are...

**Students**: English and French! Miss Lesinski: And that makes us... Students: \_\_\_\_\_ !
