

I DO

My whole (1) changed from the (2) I met you

And it would (3) be the same

Felt like I knew that I (4) love you

From the moment I heard your (5)

Everything was (6), I knew this love was worth it

Our own miracle in the makin'

Until this world stops turning

I'll still be here waiting and waiting to make that vow that I'll

I'll be by your side 'til the day I (7)

I'll be (8) 'til I hear you say, "I do"

Something (9), something (10)

Something borrowed, something (11)

I'll be waiting 'til I hear you say, "I do"

Smiles by the thousands, your (12) have all dried out

'Cause I won't see you (13) again

Throw pennies in the fountain, and look at what comes out

(14) wishes do come (15)

Now (16) is perfect, I know this love is worth it

Our own (17) in the makin'

Until this world stops turning

I'll still be here waiting and waiting to make that vow that I'll

I'll be by your side, 'til the day I die

I'll be (18) 'til I hear you say, "I do"

Something old, something new

Something (19), something blue

I'll be waiting 'til I (20) you say, "I do"

Always better than worse, (21) you from the hurt

I'll be waiting 'til I hear you say, "I do"

I do love you, yes I do love you

I'll be waiting 'til hear you say, "I do"

'Cause I love you, love you...

We're shining like a (22), just look at us now

I wanna hear you say, "I do"
