

My Family

Hi! My name is Riki. I'm thirty-five years old. I come from Japan. I am an engineer. I like my job. My favourite hobbies are hiking and swimming. My favourite place is the forest because it's quiet and peaceful there.

I'm the father of two young boys, Charlie and Timmy. They are four years old and they are twins. They are nice, but sometimes they can be mean to each other, so I have to be strict. My sons love football. They play football everyday in the garden. They are also in a football club.

My wife's name is Nikki. She is thirty-two years old. She is an intelligent, kind, friendly woman. She is also a good mother to our boys. She is a nurse and she works at St. Rita's hospital in Kyoto. She really likes her job because she likes to help people. Her favourite hobbies are gardening and singing. She is a very talented singer.

Answer the questions below.
