A. Sort the three mixed-up clothes shop dialogues into conversation 1, 2 and 3.

Customer

1) Could you tell me how much these jeans are?

2) I'm looking for something to match this shirt.

3) I bought this skirt last week, but it's too small.

Shop assistant

..... I'm sorry, but that's the only size we have at the moment.

..... Yes, they are $19.99.

..... Well, we have some new jeans just in. They are half price.

Customer

..... They look good. Do you accept credit cards here?

..... Could you order a larger size for me?

..... They're nice. Do you have them in dark blue?

Shop assistant

..... Yes, but it would take two weeks to arrive.

..... No, I'm sorry. We only have them in light blue.

..... Yes, we do.

Customer

..... OK, I'll take them then.

..... That's too long. I need it for a party on Friday.

..... That's fine. Could I try them on?

Shop assistant

..... I'm sorry. Would you like to exchange it for something else?

..... Of course. The changing rooms are over there.

..... I'll just put them in a bag for you.
