

**A. Sort the three mixed-up clothes shop dialogues into conversation 1, 2 and 3.**

**Customer**

- 1) Could you tell me how much these jeans are?
- 2) I'm looking for something to match this shirt.
- 3) I bought this skirt last week, but it's too small.

**Shop assistant**

- ..... I'm sorry, but that's the only size we have at the moment.
- ..... Yes, they are \$19.99.
- ..... Well, we have some new jeans just in. They are half price.

**Customer**

- ..... They look good. Do you accept credit cards here?
- ..... Could you order a larger size for me?
- ..... They're nice. Do you have them in dark blue?

**Shop assistant**

- ..... Yes, but it would take two weeks to arrive.
- ..... No, I'm sorry. We only have them in light blue.
- ..... Yes, we do.

**Customer**

- ..... OK, I'll take them then.
- ..... That's too long. I need it for a party on Friday.
- ..... That's fine. Could I try them on?

**Shop assistant**

- ..... I'm sorry. Would you like to exchange it for something else?
- ..... Of course. The changing rooms are over there.
- ..... I'll just put them in a bag for you.

**Conversation 1**

C- Could you tell me how much these jeans are?
